*CHEF'S CHOICE

Chef's Choice means we create the menu the day of your event. In other words, what is served varies. By letting the chefs choose raw materials depending on the season and availability, we can use the best resources available. Simply put - sustainable food.

WE FIGHT FOOD WASTE - WFFW

At K-Märkt, we care about our planet and we work daily to reduce food waste. A much larger problem than many people understand. We use several methods to reduce food waste where Chef's choice is one of them.
